

MESHIANs — are you ready?

M*E*S*H (Mixing Explorer Scout Holiday) began in 2005 within Chislehurst District and has grown into one of the most anticipated Explorer events in the district. The aim of MESH is to bring Explorers from different Units together, helping them meet new people while taking part in a wide range of fun and adventurous activities.

This year's crew of Meshians will set course for **Adamswell Campsite**, where they'll explore the site, tackle exciting activities and challenges, and meet Explorer Scouts from across the district (and beyond).

We've listened carefully to feedback from previous years and can confirm that two firm favourites — **laser tag and the silent disco** — will be returning, alongside plenty of new surprises.

As we have opened this up to the wider county we will be limiting spaces so the event can run as efficiently as in previous camps. Units will need to have 2 adults with them for the weekend.

Camping & Food

Units will need to provide their own camping equipment and most of their own food.

A **themed dinner on Saturday evening** is included in the price and will be cooked by our crew of chefs.

Units will need to provide:

- Saturday breakfast
- Saturday lunch
- Sunday breakfast

Units are welcome and encouraged to camp alongside other Units if they wish. Two adults must attend the weekend with their Unit.
